

NAPT 2010 CONFERENCE SCHOLARSHIP FORM

The National Association for Poetry Therapy Foundation offers scholarships to current NAPT individual members and other individuals who otherwise might not be able to attend the annual conference. Awards are based on financial need, contributions to the field of poetry therapy, and potential to give back to the field. NAPT members are given preference. Scholarships are awarded to cover part or all of the base conference fee and do not include pre- or post-conference workshops, room and board, or transportation.
